Dec 08, · Accelerando () (Singularity #3) by Charles Stross Charles Stross is an anomaly, of sorts. His genre style borrows more from American formula than British intuition, yet his stories contain just enough “pints” and jokey references to English socio-geographies to be unmistakably British. One of my favorite pieces of science fiction. Fantastic adventure through the singularity, I highly recommend it!

Jul 05, · A 3 1/2 star book, downgraded to three because Stross ultimately doesn't deliver much more than a caffeinated theme park ride of the singularity. I doubt that Accelerando will ever be seen in quite the same way as the early cyberpunk books, but it is certainly similar in its hyperkinetic and chaotic creativity/5.
