Astral Projection: Discover How to Master the Techniques and Methods of Traveling the Astral Plane (Astral Projection,Astral Travel,Astral Plane,OBE, Out . Do not practice astral projection, it is dangerous. The following is left for informational purposes.] In today's article, which is the third part of my astral projection series, I would like to present and explain you some of the best and most popular astral projection techniques that exist. Feel free to also have a look at the other parts of the series that is based on the astral world and the . Start by marking "Astral Projection: Master Astral Projection Travel! Discover Proven Methods And Techniques Of Traveling The Astral Plane With OBE Out-Of-Body Experience! Visualization, Travelling The Astral Plane)" as Want to Read:3/5(1). Definition. Astral projection is the act of separating the astral body from the physical body. Normally this occurs as part of the sleep process, usually at the deepest dream level. It also can occur in a trance state. When the person is conscious of this separation it is called conscious astral projection. That's basically it. The more you read about the various astral traveling methods and the more techniques you discover, the more obvious are the concordant objectives that stand behind each method, namely the "relaxation" and the "projection" part.
