Amazon esgrimaperezghersi.com: Kasper Lippert-Rasmussen. A Philosophical Inquiry into  
the Nature of Discrimination by Kasper Lippert-Rasmussen What is discrimination? There are  
certain instances of differential treatment that almost anyone would describe as discriminatory;  
yet upon deeper examination, this near-unanimity gives way to disagreement and difference.  
May 29, · A Philosophical Inquiry into the Nature of Discrimination, Oxford University Press,  
, pp., \$ (hbk), ISBN Reviewed by Deborah Hellman, University of Virginia This book  
provides a closely argued, careful account of what discrimination is and what makes it wrong.  
Dec 03, · Second, it argues that discrimination is wrong, when it is, because of its harmful  
effects. Third, it takes issue with some of the standard devices used to counteract  
discrimination, e.g. proportional representation of different groups, and submits that  
combating discrimination requires more than state actions. A Philosophical Inquiry into the  
Nature of Discrimination, Kasper Lippert-Rasmussen, Oxford University Press, , pages. In a  
time of strained racial relations in the United States and continued inequality between men and  
women in the social domain, a careful and systematic philosophical understanding of the  
nature of discrimination is an important step toward imagining a more just world.
