Over the past 15 years, people in the United States—and dissidents in particular—have witnessed a steady escalation of the National Security StateReviews: 2. Crashing the Party: Legacies and Lessons from the RNC (e-Book) Kris Hermes This book shows how events in acted as a testing ground to develop repressive policing methods now used across the U.S., as well as providing a laboratory for radical, innovative, and confrontational forms of legal support. Crashing the Party: Legacies and Lessons from the RNC by Kris Hermes Over the past 15 years, people in the United States—and dissidents in particular—have witnessed a steady escalation of the National Security State, including invasive surveillance and infiltration, indiscriminate police violence, and unlawful arrests. Crashing the Party: Legacies and Lessons from the RNC K likes. Crashing the Party: Legacies and Lessons from the RNC by Kris Hermes Order. Even if some of the political analysis leaves you cringing, Crashing the Party provides useful insights for peace work in our meetings. Even if you do not choose to engage in direct action or even protest, Crashing the Party is a revealing take about the dysfunction of our legal system, prison systems, and society. Crashing the Party: Legacies and Lessons from the RNC by Kris Hermes These lessons would be even more accessible if the book's depiction of the RNC was not so detailed. Crashing the Party is almost too ambitious, combining an exhaustive, action.
