Democratic transitions have occurred in many countries in various regions across the globe, such as Southern Europe, Latin America, Africa, East and Southeast Asia, Eastern Europe and the Middle.

Democratic transitions have occurred in many countries in various regions across the globe, such as Southern Europe, Latin America, Africa, East and Southeast Asia, Eastern Europe and the Middle East, and these nations have undergone simultaneously political, economic and social transformations. Yet, the patterns and characteristics of transitions have varied significantly, and different modes of transition have resulted in different outcomes. This book offers cross-national comparisons of democratic transition since the turn of the twentieth century and asks what makes democracies succeed or fail. Reviews: 3. transitional modes of democratization and democratic outcomes George Washington university san francisco state university of the mode of transition on democratic success, we examine in greater detail an important question in the democratization literature: do modes of transition. Democratic transitions have occurred in numerous nations in quite a few areas all through the globe, just like Southern Europe, Latin America, Africa, East and Southeast Asia, Japanese Europe and the Middle East, and these nations have undergone simultaneously .
