Tribe's book, Abortion: The Clash of Absolutes is an excellent read for anyone who highly regards the constitutional and basic right to life. In his book, Tribe devotes equal time to shedding light on both to other cultures to see how they have dealt with this issue the Pro Reviews: 6.

The constitutional issues presented by the debate over Roe v Wade are fascinating. Lawrence Tribe reviews those questions in Abortion: Clash of Absolutes. Tribe is professor of constitutional law at Harvard Law School. He contends the debate revolves around two absolutes: the right of the fetus to life and the right of the woman to control her body.^{4/5} Since Abortion: The Clash of Absolutes was published, the issue of abortion has remained at the forefront of the American political agenda. At this writing, a significant new chapter has been added to the abortion debate with the Supreme Court's June 29, decision in Planned Parenthood v. On profound questions of birth, death, and human choice that are raised by abortion where opposing sides see no common ground how can the conflict be managed? The abortion debate in the United States today involves all Americans in complex questions of sex and power, historical change, politics, advances in medicine, and competing social values. On profound questions of birth, death, and human choice that are raised by abortion where opposing sides see no common ground how can the conflict be managed? The abortion debate in the United States today involves all Americans in complex questions of sex and power, historical change, politics, advances in medicine, and competing social values.

--The politics of abortion: from a new right to the "new right" --The politics of abortion: the pro-life advocates in power --In search of compromise --Beyond the .
