Everyday Democracy Since our founding in , we have worked with hundreds of communities throughout the US, first by offering small, structured dialogues that led to positive and lasting change, and now offering an array of flexible resources and discussion guides, technical assistance and coaching, and information about our Dialogue to Change process.

Why American Democracy Is Broken, and How to Fix It The presidential system isn't working. A parliamentary one might. Mar 13, There are four reasons why democracy developed early in America. The first is to be found in the conditions of pioneer life in the colonies. The selected character of the colonists is a second reason for the rise of democracy in America.

Feb 23, The United States is doing less well on the second- and third-most essential elements of a democracy, according to the respondents: equal political and legal rights and equal voting rights.
