To me, chemotherapy seemed like taking the easy way out. I realized that surgery and chemo doesnt really cure anything. You could cut off a tumor and have it grow back. What really needs to be addressed is the root cause of the problem: diet and lifestyle. The only cure for cancer is a lifelong dedication to clean eating and to health and wellness. Alternative treatments for cancer have a history of curing cancer and it is this fact that big pharma wants to hide from the American public. Historically, many successful approaches have been developed for curing cancer.

The cancer epidemic is a dream for Big Pharma, and their campaigns to silence cancer cures have been fierce, which is a tale well told in the documentary film featured above, Cancer: Forbidden Cures. The Cancer Machine. Please understand that cancer is big business.
