"Garland's ambitious volume series takes a cultural approach to its focus on the music of all the world's peoples. Each volume is arranged topically, regionally, or by ethnic group, and complemented by an extensive index/5(3). The Garland Encyclopedia of World Music, Volume 5 is a generous two-and-a-half kilos of solid scholarship. This formidable piece of work should be every ethnomusicology students pillow-book, were there not the likely risk of spraining ones neck as well.
